Millennium Charter Academy Events Worth Roaring About

Because our standards aren't standard!

MCA has always had a great housekeeping department, and this summer is no different as we transition to an outside agency to take over our the maintenance and cleaning of our rapidly grown square footage. The Budd Group, from Winston-Salem, NC, is now responsible for all summer deep cleaning, as well as the day-to-day custodial activities during the school year. The new group, mostly made up of people who already know our school and have its interest at heart, has scrubbed every inch of the tile and laminate floors, and waxed all the tile floors until they gleam like mirrors. They've shampooed carpets in every classroom, repaired loose screws and squeaky hinges, steam cleaned every restroom floor, and painted in several areas throughout the school. All Budd Group employees have been background checked, and they wear company-identifying shirts and name tags. This edition of *The Lion's Roar* is roaring about the MCA crew of The Budd Group, and the great job they're doing this summer. We certainly appreciate our housekeeping staff and all the hard work they do ALL the time!

Left, Howard Fulmore, an MCA grandparent, pauses to smile as he shampoos carpets. Garet Thomas, second from left, scrubs and waxes floors until they shine. Second from right, Mike Marsh, also an MCA grandparent, puts tape over the corner protectors before painting. Candace Ward, an MCA parent, and Alayna Speer, an MCA alumna, work together to put classrooms back together after every item in each classroom has been moved.

John Donnelley has painted several classrooms and the lobby area outside the original gymnasium.

Ivy Waker has washed walls in all the classrooms and hallways to make sure they look fresh and clean.
