

We're All Shined Up and Ready to Go!

Although it's not over yet, summer is one of the very busiest times at MCA! The cleaning and maintenance staff has worked hard on the building, and our grounds keepers have the outside looking beautiful. Here are a few shots to let you see how bright and sunny things are at MCA, and we are so excited about seeing everyone for the start of the new school year!

THE LION'S ROAR
MILLENNIUM CHARTER ACADEMY EVENTS WORTH ROARING ABOUT

May 2019

MCA Office of
Development

All outside areas have new mulch, and both playgrounds have a new layer of fine wood chips to provide safe and more comfortable playing areas. The soccer field has new grass, and we have new soccer goals in preparation for a great season. Inside the school, the floors gleam like mirrors, and everything is sparkling clean. It's going to be a wonderful year!

We certainly are happy to roar about our great cleaning staff who've worked so hard to make sure our five wings are ready for teachers and students to return. In addition to stripping and waxing the tile floors, these great folks have shampooed all the carpets, washed windows, cleaned counters, scrubbed restrooms, and cleaned the outside of the buildings. Back row, left to right are Isaac Pyles, Chris Marsh, Sabrina Taylor, and Shawn Gonzalez; front row, Ronnie Marsh, Candace Ward, Yolian Rosado, and Donna Anderson.

Summer work doesn't just involve facility work. Plenty of action takes place inside the school as well, getting new schedules ready for students, paying bills and renewing contracts, getting new students on board, getting computers ready for the coming year, running athletic camps, and getting athletics in order for the upcoming seasons. Working during the summer are, back row, left to right, Tonya Price, Rodney King, and Michael Reeves; front row, Pam Braley, Patty Bare, and Lu Ann Browne; Not pictured are Kirby McCrary, Alaine Poteat, and Kaley Umstead.
