

MCA Holds 2nd Annual High School Commencement Ceremony

The late spring weather was absolutely perfect on the morning of Saturday, June 1, 2019, when we held our second annual high school commencement ceremony. A large crowd convened in the upper school gymnasium to watch twenty-six seniors complete their high school education and begin the next phase of their lives.

SCHOLARSHIP * CHARACTER * COMMUNITY

Special Senior Recognitions

Leah Childers, flanked by Headmaster Kirby McCrary and Athletic Director Rodney King in the photo at left, is the 2019 Scholar Athlete of the year. This prestigious award is based off the student's grade point average, number of sports played, number of all-conference and all-state titles, character, integrity, and leadership. Leah

was also recognized by Surry Community College with an induction into the National Society of Leadership and Success. **Kaylee Horton**, right, graduated from SCC the weekend before MCA's commencement as received a certificate in Medical Office Assisting.

Eighth Grade Academic Awards

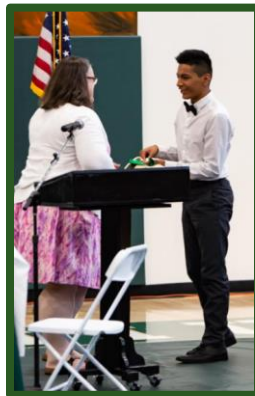

Each year, MCA presents subject area awards to those eighth grade students who best exemplify scholarship throughout their 6th – 8th grade years. Each award recipient must have a three-year average within the top ten percent of the course and be recognized by the upper school faculty and staff to exhibit the high ideals of MCA. In addition to the academic awards, MCA also presents a Citizenship Award to the one student who best exemplifies the highest ideals of the school throughout his or her career at MCA. This individual embodies the Academy's three foundational pillars of scholarship, character, and community, and is known to epitomize the qualities of an exceptional student. Meet our eighth grade academic award winners for the 2018-2019 school year!

Math Award

Grace Phillips
English Award, Scholar-
Athlete, Citizenship Award

Mr. Paul Rezzo, MCA College Counsellor, awards sophomores **Trisaia Legere** and **Camber Lovill** the Distinguished Scholar Awards from the Classic Learning Initiatives Foundation.

Classic Learning Test Distinguished Scholars Recognized

Many colleges are now using the Classic Learning Test (CLT) instead of or in addition to traditional tests such as the SAT or ACT. Featuring passages selected from great works across a variety of disciplines, CLT assessments provide a highly accurate and rigorous measure of reasoning, aptitude, and academic formation for students from diverse educational backgrounds. The CLT also provides colleges and secondary schools with detailed information about student learning trends, to facilitate decisions about admissions, curricula, and instruction. MCA sophomores took the CLT this past year, and two MCA students scored high enough to be recognized by the CLT foundation as Distinguished Scholars.

Sophomore Awards

Millennium Charter Academy Sophomore Awards are presented to those tenth grade students who best exemplify scholarship throughout the first half of their high school career. Each award recipient must have a two-year average within the top ten percent of the course and be recognized by the Upper School faculty and staff to exhibit the high ideals of MCA.
