

Track Team Does Well at Championship Meet

Congratulations are in order for the MCA middle school and high school track teams for doing so well at the conference track championship this month. We have conference champions in multiple events!

At the 6th, 7th, and 8th grade level:

- * **Kylee Seats** is the conference champion in the shot put and third place in the discus throw.
- * **Nataly McCrary** finished third in the 1600 and 800 meter events.
- * **Carly Edwards** finished second in the high jump.
- * **Cesar Gonzalez** finished second in the 1600 and 800 events.

At the high school level:

- * **Katie Brintle** is conference champion in the 400 and second place in the 800 and 200 meters.
- * **Sara Windsor** is conference champion in the 1600, 800, and 3200 meters. Sara also broke the conference records in the 1600 and 800!
- * **Hailey Perry** finished second in the discus and third in the shot put.

MPACT Comes Through Again!

It may sound like a small thing to some, but when the school's laminator, purchased in 2001, stopped working earlier this year, teachers literally mourned the loss of the beloved machine that allowed them to plastic-coat bulletin board objects and other paper items that needed extra protection to survive the rigors of school life. Someone even placed a bouquet of artificial flowers on top of the machine along with a sign that stated "rest in peace." And so it was, a school year without a laminator! That is, until MPACT found out about the need and purchased a new laminator for the school. Teachers rejoiced at the new machine which once again allowed them to protect classroom artwork and documents from wear and tear. Many thanks to MPACT for continuing to support our school and our students.

Shanda Lawson gets ready to laminate on the new machine.

Students Named All Conference

Several students made all conference during this school year. To be named an all conference player, several criteria must be met. For volleyball, soccer, basketball, baseball, softball, student must be nominated by a coach, and then they must be selected by the conference based on statistics from the season. For cross country, student athletes had to be one of the top ten finishers at the conference championship, and for track, student athletes had to be one of the top two for their specific events. For golf, athletes must finish in the top ten of the conference tournament.
