

MILLENNIUM CHARTER ACADEMY

ABUSE POLICY

Millennium Charter Academy is committed to providing a safe environment for all students and strictly prohibits any form of abuse, including sexual abuse, sexual harassment, or sexual misconduct by staff, volunteers, contractors, students, or any other persons.

Any form of sexual abuse, grooming, inappropriate sexual contact, or sexualized communication is strictly forbidden and will result in immediate removal from campus, termination of employment, and reporting to law enforcement and child protective services as required by law.

All members of the school community are mandatory reporters. Suspected child abuse or neglect of any kind must be reported immediately to school administration who will assist you in contacting local law enforcement and/or child protective services. Retaliation against any person who reports in good faith is prohibited.
